2018 3rd International Conference on Control, Automation and Artificial Intelligence (3rd-CAAI 2018), August 26-27, 2018, Beijing, China

## Introduction

Looking forward to your participation in the 2018 3rd International Conference on Control, Automation and Artificial Intelligence (3rd-CAAI 2018) which will be held on August 26-27, 2018 in Beijing, China.

Following the success of previous conferences, the conference aims to attract researchers and application developers from a wide range of Control, Automation and Artificial Intelligence and related areas. The conference will cover both theoretical research and its applications in related fields. Contributions in related research fields will be especially encouraged.

## Publication

All accepted papers for 2018 3rd International Conference on Control, Automation and Artificial Intelligence will be published by Atlantis Press on **Advances in Intelligent Systems Research (ISSN: 1951-6851)**, which will be submitted for indexing by **EI Compendex, CPCI-S (formerly called ISTP), Scholar Google and CNKI**. 3rd-CAAI 2018 will also be online available in full text via the press platform.

**Excellent papers will be selected and published on SCI and EI journals.**

## Join us

-Please prepare your papers and send it to [cfp@caai2018.org](mailto:cfp@caai2018.org).

-The symposium will only accept English manuscripts, please do not rely on the software to complete the translation.

-Papers whose author(s) is/are unable to attend the conference will be published and submit for indexing as promised.

-If you have submitted your paper without any replies, please contact us.

## Topics(not limit):

Control Theory and Application, Discrete event systems, Artificial Intelligence and Application, Automation Science and Engineering, Computer Science and Software Engineering, Robotics Science and Engineering, Space and underwater robots and so on.

## Previous

The 1st-CAAI was successfully held on August 23-24, 2015 in Phuket, Thailand. The proceedings of 1st-CAAI have been successfully indexed in CPCI-S(ISTP)!

This is a screenshot of the Web of Science database interface. At the top, there are navigation tabs for 'Web of Science™', 'InCites™', 'Journal Citation Reports®', 'Essential Science Indicators™', and 'EndNote™'. The main heading is 'WEB OF SCIENCE™'. Below this, there are search options: 'Search' and 'Return to Search Results'. A search bar contains the text 'Design and Analyze of the Localizer Antenna for Navigation of Civil Aviation'. The author is listed as 'Book Group Author(s): Destech Publicat Inc'. The entry is identified as '2015 INTERNATIONAL CONFERENCE ON CONTROL, AUTOMATION AND ARTIFICIAL INTELLIGENCE (CAAI 2015)', with pages 60-63, published in 2015. It is categorized as a 'Conference' held at the International Conference on Control, Automation and Artificial Intelligence (CAAI) in Phuket, Thailand, from August 23-24, 2015.

The 2nd-CAAI was successfully held on June 25-26, 2017 in Sanya, China. The proceedings of 2nd-CAAI have been successfully indexed in CPCI-S(ISTP)!

This is a screenshot of the Web of Science database search results page. The search criteria are 'CONFERENCE: (Control, Automation and Artificial Intelligence)'. The results show 130 items. The first result is 'Smart Mechanism Design of Electric Energy Meter Adaptive Sealing Device' by Zhang, Jing Zhao, Weng Hu, Changyou, edited by ElFergany, A; Rojas, AI; Szeto, WY. It is from the 'PROCEEDINGS OF THE 2017 2ND INTERNATIONAL CONFERENCE ON CONTROL, AUTOMATION AND ARTIFICIAL INTELLIGENCE (CAAI 2017)' published in 2017. The second result is 'Quasi-Sliding Mode Control Based on Reduced Order Mode' by Liu, Tao; Tang, Hengliang, edited by ElFergany, A; Rojas, AI; Szeto, WY, also from the same conference and published in 2017. Both results include a 'View Abstract' button.
